

# **VOW** Personal Care

OUR EXTENDED RANGE

NEW  
FOR  
2025

*Our range of dental  
care products*

Why you should enter  
the **£396m** period  
product market

Deliver our **4-step  
hand care** process to  
your customers

Drive this **ever-expanding**  
personal care range with  
your customers via VOW

**VOW**  
WHOLESALE

## Personal care is a growing product sector with a robust use case amongst many different sectors.

Working alongside our specialist partners, VOW Wholesale can supply you with a complete range of personal care items, including period products, shower, shaving, sexual health and personal hygiene items.

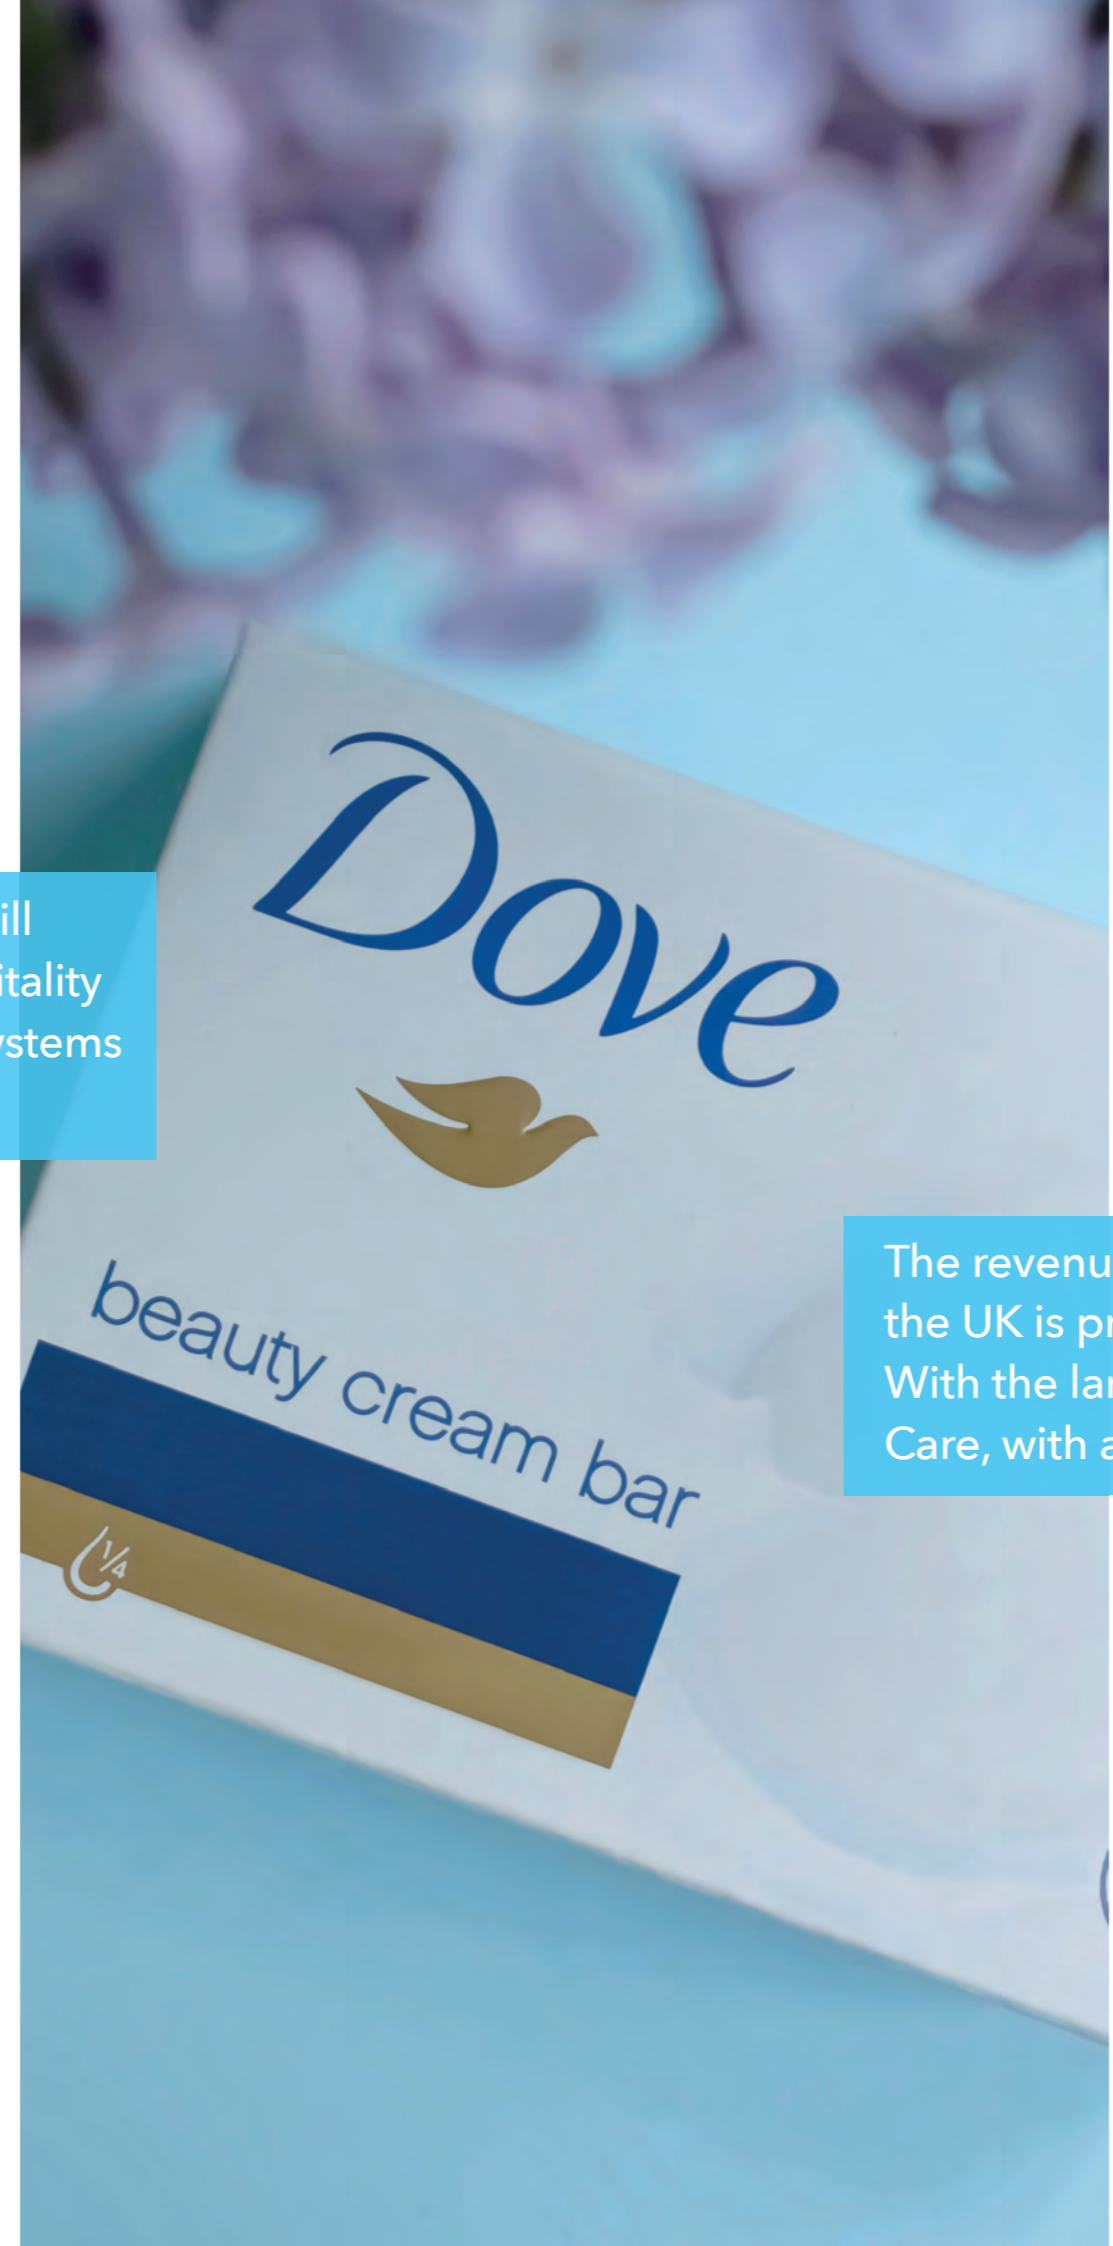

*Our specialist cleaning and hygiene team are on hand to help you source the perfect range of products for your customers' needs.*

Throughout 2025 our personal care offering will expand further, with a specialist range of hospitality essentials including mini bottles, dispensing systems and specialised kits perfect for hotel guests.

These Sydex Spa and Delphis products will further enhance our range and complement the existing products.

We will offer a wider range of shampoo, shower gels, lotions, and soaps in our personal care collection.

A new, comprehensive range of specialist incontinence products for healthcare settings will also be launched, supplied by Drylock.

## Sustainability is at the heart of what we do.

Our wide range of products include **sustainable, organic and reusable** options to help your customers achieve their CSR goals.

We are committed to **reducing the environmental impact of our products** and supply chain to make a better future for everyone.

The revenue in the beauty and personal care market in the UK is projected to reach upwards of £13bn in 2025. With the largest segment in the market being Personal Care, with a market volume of £3.35bn in 2025.\*

- Leaves your hands feeling soft and moisturised.

Code	Description	Pack
CPD17701	Dove Caring Hand Wash 250ml	6

# FOUR-STEP HAND CARE

An effective four-step system to protect, wash, and restore the skin. Follow this guide before, during and after work to ensure high standards of hand hygiene.

## Step 1

Kick start by using this protection cream that is appropriate for most work environments, offering a unique triple-action formulation. This cream offers protection against both oil-based and water-based substances.

## Step 2

Ideal for outdoor workers, utilise this sun protect cream, shielding the skin from harmful UV rays. A non-greasy formula to encourage regular use and help limit the effect on dexterity with hand-held tools.

## Step 3

Utilise this foam wash following a heavy-duty work period in industrial environments to effectively remove heavy soiling such as oil, grease, carbon black, lubricants and general dirt and grime. This foam wash is specially formulated to provide a high level of cleaning performance.

## Step 4

Post work, this protection cream is perfect for use on lightly damaged or sore hands at the end of the working day. This encourages the natural repairing of the skin and helps to replenish natural oils. A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.

## Universal Protect Cream

- Protect against oil and water based substances.
- Perfume-free.
- Dye-free.

### STEP 1

Code	Description	Pack
Contact Specials Team	Deb Stokoderm Universal Protect Cream 1 Litre	Each

## SPF 50 Sun Protect

Code	Description	Pack
2W72375	2Work Laundry Detergent Non-Biological Concentrate	Each

# Tackling Period Poverty in the UK

Period Poverty is a term used to describe a lack of access to suitable period products and the education needed to use them effectively.

The rising cost of living has led to an increase of menstruators suffering from period poverty. Therefore, providing affordable free of charge period products in a variety of settings can not only support tackling period poverty, but it can also **encourage a progressive environment**, resulting in increased retention, loyalty and wellbeing.

# Help your customers tackle period poverty with VOW

**21%** are struggling to afford period products.

**62%** have left work immediately to go buy supplies or WFH, accounting for lost hours of productive work.

**37%** have used cotton wool instead of period products in the last 12 months.

**13%** have missed school, university or college.

# Sexual Health

Proper attention to sexual health in healthcare settings involves providing resources, education, and support to ensure patients can make informed decisions, prevent disease, and address any related health concerns. For Universities, providing sexual health essentials can benefit student health, campus safety, and overall wellbeing.

## Durex Extra Safe

The logo for VOW Wholesale is centered on the page. It features the word "VOW" in a large, bold, white sans-serif font. Below it, the word "WHOLESALE" is written in a smaller, white, all-caps sans-serif font. The text is set against a background of several overlapping, semi-transparent blue circles of varying shades, creating a layered effect.
